#### Wholesale

Wholesale pricing is available to qualified galleries and resellers.

#### Sizes

All berry sizes are approximate (+/- 2mm).  
 You may specify a particular size when you order. If no sizes are specified, I will ship berries which are normal life-sized for ripe fruit. When a selection is ordered, I will ship a selection of different sizes and ripenesses.

#### Colors

You may specify the degree of ripeness you want for your berries.

- \* Blackberries are mostly black with 2-3 reddish unripe cells. You can request entirely black or more unripe cells.
- \* Unripe blueberries are mostly reddish with a little green showing, but you may order them entirely green or more ripe (purple).
- \* Bing cherries are fully ripe, but you can order them tart (light red) or over-ripe (purple-red).
- \* Rainier cherries are fully ripe, but you can order them tart (all yellow) or over-ripe (mostly red).
- \* Gooseberries are usually ripe (yellow-green) but you may also specify unripe (dark green), tart (light green) or over-ripe (brown-green).
- \* Salmonberries are usually ripe (apricot-colored) but you may also specify unripe (yellow) or over-ripe (orange).
- \* Strawberries may be tart ripe (light red) or sweet ripe (dark red).
