Sizes

All berry sizes are approximate (+/- 2mm).
You may specify a particular size when you order. If no sizes are specified, I will ship berries which are normal life-sized for ripe fruit. When a selection is ordered, I will ship a selection of different sizes and ripenesses.

Colors

You may specify the degree of ripeness you want for your berries. If you do not specify, I will ship a selection of different ripenesses.

- * Blackberries are mostly black with 2-3 reddish unripe cells. You can request entirely black or more unripe cells.
- * Unripe blueberries are mostly reddish with a little green showing, but you may order them entirely green or more ripe (purple).
- * Bing cherries are fully ripe, but you can order them tart (light red) or over-ripe (purple-red).
- * Rainier cherries are fully ripe, but you can order them tart (all yellow) or over-ripe (mostly red).
- * Gooseberries are usually ripe (yellow-green) but you may also specify unripe (dark green), tart (light green) or over-ripe (brown-green).
- * Salmonberries are usually ripe (apricot-colored) but you may also specify unripe (yellow) or over-ripe (orange).
- * Strawberries are usually ripe (medium red) but you may also specify over-ripe (dark-red).
